Team criteria;

This is a very unique and uncommon award only for a team to be inducted they need to accomplish a one off sporting achievement that is very unlikely to ever be replicated again. The committee will need to be in agreement with this particular achievement.

This achievement would have to be one such award that not only is deemed extremely difficult and challenging to occur for future ICS teams but also not replicated by other school teams within the organization or league.

Nominator needs to show and document what this achievement was and the committee must all be in agreement not only of the worthiness of the team in question but that the achievement was worthy.
